Warangal

EDUCATION

Bachelor of Technology (B.Tech), Electrical and Electronics Engineering (2017 - 2021)

NIT Warangal

CGPA : 5.48/10

INTERSHIPS

Electrical Engineering

AL Dana Switchgear (Doha)

May 2019 - Jun 2019

I got to work on the manufacturing of L.V Panels, Distribution Board and wiring in the switchgear.

POSITIONS OF RESPONSIBILITY

- Event manager at Technozion 2019.
- Event manager in Cultural fest Spring spree 2019.
- Present in NSS team of NITW.

TRAININGS

AI Program Organized By College.

Innovation Garage Nitw (Online)

May 2019 - Jul 2019

- * Learnt basics of machine learning.
- * Explored on deep learning topics like CNNs, Neural networks in libraries like keras and tensorflow of python.

PROJECTS

MNIST Handwritten Digit Recognition with Keras (CNN)
Convolution neural networks.

Jul 2019 - Jul 2019

Built a model of neural networks with the help of Keras to recognize handwritten digits from the MNIST database by using Convolutional Neural Networks.

MNIST Handwritten Digit Recognition with Keras

Jun 2019 - Jun 2019

Built a model of neural networks with the help of Keras to recognize handwritten digits from the MNIST database.

SKILLS

C++ Programming

Intermediate

Video Editing

Intermediate

Machine Learning

Beginner

Data Structures

Intermediate

ADDITIONAL DETAILS

- * Present in Dance and Dramatic Club of NITW.
- * Likes to make videos as a part-time hobby.
